Dear Bobby:

Congratulations on receiving the SUNsational Professional of the Year Award and for the four Red Baron Media Awards presented by the Florida Festivals and Events Association. Of course, you did not need awards for me to know how special you are.

I am so proud to have you as a Chamber member and grateful that you have brought your award winning festivals to Deerfield Beach. I know your festivals will continue to bring people from all over to visit our city and I wish you great success as together we make Deerfield Beach the best place in which to work, live and play.

Sincerely,

   
Janyce Becker  
Executive Director
